Small Craft Advisory Expected through Thursday Night

The National Weather Service (NWS) Guam Weather Forecast Office issued a **small craft advisory** for the coastal waters of Guam, Rota, Tinian, and Saipan in effect from 6 a.m. Thursday to midnight Thursday.

East winds of 15 to 25 knots with gusts up to 30 knots and seas of 6 to 9 feet are expected. Conditions will be hazardous to small craft. Inexperienced mariners, especially those operating smaller vessels, should avoid navigating in hazardous conditions.

The Offices of Guam Homeland Security and Civil Defense (GHS/OCD) remind the community to avoid hazardous seas until conditions subside.
